

# Spinner hanger shot blasting machine type VK

## Workpieces

Castings

Cold or hot transformed parts

Complicated shapes

Forgings

Pressed parts

Welded constructions

## Advantages / features

- Different types of transport systems, depending on customer's requirements
- Minimal floor space required
- Special leak-proof sealing system
- Blasting wheel door for shorter blasting cycle time

## Sm@rt cloud platform

- Energy saving
- Less abrasive consumption
- Less maintenance and production downtime
